Sukces w sporcie a psychologia

D. Gould (2001) analizował:

- 1) Jakie czynniki wpływają na rozwój talentu sportowego?;
 - 2) Czy mistrzostwo sportowe jest uwarunkowane genetycznie, czy wpływają na nie rodzice, trenerzy czy też mistrzowie są osobami bardzo szybko uczącymi się?;
 - 3) Jakie cechy są charakterystyczne dla wybitnych sportowców?**
-

Wyniki D. Goulda

- wysoki optymizm,
- wysoki wyróżnik nadziei (zdolność do wytyczanie i podążania szlakami wiodącymi do celu),
- perfekcjonizm,
- duże zaangażowanie,
- ogromna determinacja,
- wysoki poziom motywacji wewnętrznej,
- niezwykła umiejętność koncentracji uwagi.
